

CHANGE OF DATE!

Dear Parents

Due to the unfavourable weather forecast for tomorrow evening (potential thunderstorm, wind and rain around the time of our concert) we have made the decision to postpone our Christmas Concert until Wednesday evening.

The predicted temperature on Wednesday is far more comfortable (around 25 degrees) and although there is some chance of a shower or two during the afternoon the outlook appears to be much better.

The timing of the event will be the same (5:30pm to 6:30pm for picnic tea on the oval) and 6:30pm start for concert items.

We hope that this will not cause too much inconvenience for families. The safety of the community is paramount in our decision and we trust that you will understand.

We look forward to sharing this celebration of 2017 with you.

Kind Regards

Lynne Brenner
