GRADE 3/4

Hi Everyone,

This week we have continued writing persuasive texts. We have been looking at the main idea when reading and the author's purpose. In maths we have continued learning about fractions and the children have all completed at least one activity of the Fraction Action Investigation. It was fantastic to see the children participate with such enthusiasm at Cross Country on Monday and cheer each other on. We saw some amazing acts of sportsmanship from children of all ages. Thanks again to Miss C. for organizing an excellent whole school sporting event and to all of our parent helpers who make days like this possible. Another event that made us all very proud was the Dawn Service held at ROC oval on ANZAC Day. The children who attended sang the National Anthem beautifully and showed respect during the entire service. Thanks to Mr. D., Mrs. Beck and Carol for their work with the choir.

Have a fantastic weekend

Laura, Emily & Nicole

P.S. Check out this YouTube clip – it will get you thinking!

Why Should I Read For 20 Minutes Each Day?

GRADE 5/6

Hi Everyone,

What a busy week we have had with House Cross Country on Monday and ANZAC Day on Wednesday. All our students had a wonderful day at Cross Country and demonstrated fabulous sportsmanship and house spirit in supporting one another. Thank you to all those who braved the early morning to attend the Dawn Service at the Officer Memorial Gates on ANZAC Day. This week in CAFÉ we have been focusing on developing a range of strategies to help us identify the main idea in what we are reading. In Literacy we have been revising persuasive writing where we have been ensuring our paragraphs have a clear idea and supporting evidence. In Maths this week we predominantly focused on fractions and how we can apply our knowledge when solving more complex problems. Have a great weekend

Alex and Yolande
